No charges will be assessed to suite holders for orders cancelled at least 24 hours in advance. Suite orders not cancelled within the 24 hour minimum will be assessed 75% of the total food and beverage order and 100% of the private attendant fee (if applicable).

#### **EXCLUSIVITY**

Aramark is the exclusive caterer for the SAP Center at San Jose. It is not permissible for suite holders or guests to bring food and/or beverage from outside the building into the suites without proper authorization and incurring handling fees.

#### SAFE FOOD PRACTICES

Please note: consuming raw or undercooked meats, poultry, pork, fish, shellfish or fresh eggs may increase your risk of foodborne illness, especially if you have certain medical conditions.

#### BEVERAGES

#### LIQUOR

In accordance with the laws of the State of California, Aramark is the only licensee authorized to sell or serve liquor, beer and wine at the SAP Center at San Jose. It is the responsibility of the suite holder or its representative to control the consumption of alcoholic beverages within the suite. People under the age of 21 years old may not consume alcoholic beverages. People who appear visibly intoxicated may not consume alcoholic beverages. Suite holders may incur liability if they fail to comply. By law, the bottles of alcohol may not be removed from the suite and the SAP Center at San Jose.

Suite guests are not permitted to take cans or bottles outside of the suite. Disposable cups are provided for use outside of the suite.

For suites without a par-restocking agreement, Aramark reserves the right, in its sole discretion, to dispose of any unconsumed or unopened food and beverages at the end of each event and to restock certain items for subsequent events and credit will not be given for any such items.

Guests are allowed to bring in a maximum of 6 bottles of wine, a corkage fee of \$30 per bottle will be charged to the final bill. Outside liquors and beers are not permitted.

BEVERAGES continues

#### PAR BAR RESTOCKING

Each suite has a private, locked liquor cabinet and a refrigerator. Upon request, Aramark catering staff will stock each cabinet and refrigerator with the quantity and selection of beverages chosen by the suite holder. Our staff will check the inventory of the cabinet and refrigerator at the conclusion of each event. If restocking is necessary, the suite holder will be charged for the items being replaced. If you prefer, you may order beverages on an individual basis. Please notify the suite catering office to make appropriate arrangements.

Please provide Aramark with a list of individuals authorized to open the liquor cabinets. The suite administrator can make any additions or changes in advance of the event.

#### PAYMENTS AND FEES

#### METHODS OF PAYMENT

Listed below are the payment options for our suite holders. Please take the time to review your options and decide which payment arrangements will best suit the needs of you and your guests. Then, simply sign the payment agreement and return it to the Aramark suite catering office at your earliest convenience. SAP Center is a cashless building. Cash will not be accepted as a form of payment, however our guests can find reverse ATM machines in various areas of the building. Please call the premium office at 408.999.5999 for further inquiries.

#### 1 CREDIT CARD ON FILE

As a suite holder, you may place a credit card on file with the Aramark suite catering office to be used for food and beverage charges. At the end of an event, you will just be required to sign the customer summary, eliminating the need to present a credit card. Copies of the customer summaries will be sent to you from the Aramark suite catering office to assist in the reconciliation of your credit card.

#### 2 PAYMENT AT THE CONCLUSION OF THE EVENT

Payment at the conclusion of an event is an option in which the guests of the suite are responsible for all food and beverage charges incurred during each individual session. If you choose this option, we ask that you advise your guests in advance that they will be responsible for payment. Just as if you were setting up a "tab" at a bar, our suite attendants will be required to ask for a credit card at the beginning of the event. All charges will be posted to this credit card during the course of the event and a signature will be required at the end of the event.

#### **3 ESCROW ACCOUNT**

An escrow account is a convenient way to pay for your purchases in advance without using a credit card. Prior to the beginning of the season, you would send a check payable to the Aramark suite catering office for a specific amount to be deposited in an escrow account, from which food and beverage charges would be deducted. An escrow account may be initiated with a minimum balance of \$5,000. However, we recommend \$10,000 for the initial payment.

When your balance drops below \$1,000, you will be asked to replenish your account. In the event that your balance reaches \$0, a credit card will be required for all charges until the account is funded.

#### **4 ADVANCE PAYMENT**

Advance payment for food and beverage arrangements in the suite is always an option. The suite catering office will provide you, in advance, with a total of all charges for the order and arrangements can then be made for payment. All advance payments (credit card or certified check) must be received at least 72 hours prior to the event day. We ask that you advise your guests that they will be responsible for any additional orders over and above the initial order. Any food or beverages purchases that occur during the event and that are over and above the initial order will be handled on an a la carte basis and our suite attendants will be required to ask for payment at the time the order is placed. For suites with shared ownership, each partner in the suite must establish a separate account with the Aramark suite catering office. In order to ensure the proper posting of charges, it will be necessary to provide the suite catering office with a calendar of days each partner will be using the suite. Visa, MasterCard, Discover and American Express are accepted by Aramark.

Please note that for all credit card and debit card transactions the bank puts a hold on your account. It usually takes 2-3 business days for the hold to be credited back to your account, but some cards may take as long as 7 business days.

SAP Center Suite Concierge staff will check suite tickets and open suites for guests. Aramark food and beverage staff members are not authorized to unlock suites.

### CAN THE FOOD AND BEVERAGE BE ORDERED UNTIL THE END OF THE GAME?

During a hockey game, all food orders cease at the end of the first period and all beverage orders cease at the end of the second period. For all other events, the suite attendant will inform the suite host of order cut-off times.

### CAN WE TAKE THE LEFTOVER FOOD HOME AT THE END OF THE GAME?"

Due to regulations from the county and state, the California Department of Public Health (CDPH) we cannot give out to-go containers. Our guest's safety is our number one priority, and we ensure to take all necessary measures.

### DO I NEED TO WAIT UNTIL I AM IN THE SUITE TO PLACE AN ORDER?

All advanced menu selections have to be placed by the deadlines indicated in the ordering procedures. If the deadline is missed, an order from the event menu may be placed at any time from 2 days prior to the event until the kitchen is closed during the event. The event day menu selections are limited but represent a portion of the Executive Chef's finest selections.

#### WHAT IS A PAR BAR?

The automatic restocking program is a service Aramark provides to suite holders. Suites may only have one par bar, presumed to be stocked unless a request is made for removal. At the beginning of the season, types and amounts of beverages are established by the suite administrators. The suites are then stocked with the beverages ordered. At the conclusion of each event, a suite attendant conducts an inventory of the remaining stock. The difference between the opening inventory and the closing inventory is noted and the amount is charged to the suite holder. The inventory is then restocked to the original inventory amount. Please note: soda, juices mixers and beer are sold by the six packs on the menu, but are restocked in single cans or bottles.

#### WHAT IS AN ORDER CONFIRMATION?

When an order is received in the suites catering office, whether via email, telephone or online, it must be entered into the Aramark system. This will produce a computer-generated copy. This copy is the order confirmation that you will receive within 24 hours via email. If you have not received confirmation within this time, please contact the suite catering office at 408.999.5999 to confirm that your order has been received.
